We all said that the weather last month at Lake Amistad was the coldest we could remember fishing in years with the temp in the low teens but the rain this month had to make this tournament one of the wettest we have ever fished with over two inches falling during the tournament hours. The Texas Bass Couples are some of the toughest or craziest fishing couples in the Great State Of Texas Congratulations to all of you for a job well done. Our next tournament will be at Lake Coleman April 9th. Pam and I will camp out in the park near the boat ramp. We will have registration on Saturday from 5 till 6 pm at our camp site. This is a very nice place to camp out so bring your tent or RV and lets make a weekend of it.

The Texas Bass Couples T-shirts are still available, so give us a call. At \$10 a shirt you just can't beat a deal like this.
