Texas Bass Couples Tournament Lake Coleman won by Ron & Linda McKnight

The Texas Bass Couples held its April tournament on Lake Coleman. With couples from across Central Texas fishing in their first year with the Texas Bass Couples the fun, fellowship and great fishing made it a weekend to remember. We had a few couples stay at the camp ground and this made for a great time, visiting and also some excitement. Blyth Dunlap's wife Sarah is about 7 months pregnant and started having some labor pains at about 2 am. They made a hasty trip to the hospital in Brownwood but with a shot from the doctors they were back to the lake for some pre fishing on Saturday. You go girl!

Ron and Linda McKnight won the tournament with a nice stringer of fish that was **anchored** with the biggest bass of the **whole** tournament. A whopping, **giant**, fish that made couples just back up to look. Its weight will long be remembered as **3.47lbs**. Congratulations you guys, and if I'm not mistaken Ron & Linda are the leaders in Big Bass for the Year with a 5.66 lbs. We love you guys.

We welcome the new couples that joined us at Coleman and its still time to invite more to come and share the fun of the Texas Bass Couples.
