## Lanny & Cathy Baggett

1st Place 27.30 lbs.

Lake O.H. Ivie is back in top shape producing some of the best bass fishing our couples have seen in a few years. We had 20 couples in double digits proving the **Texas Bass Couples** are the best fishing couples in the great state of Texas. We enjoyed visiting with all the couples and meeting some new ones. Thanks for being a part of The **Texas Bass Couples**. Each of you bring something special to the tournaments and you are what makes being tournament directors something we enjoy so very much.
