Special Thanks To
Jet Specialty and Supply, Inc. for donating plaques for all 2008 South Region Tournaments

We would like to give another special thanks to **Charles Stewart** for fizzaing all the fish as well as showing some of our couples how.

Also Carl and Dianne for their hospitality at **Anglers Lodge**. If you need tackle, a place to stay, a great meal or just to talk fishing, you won't find better folks!

Lake Amistad showed its teeth for the kickoff of the Texas Bass Couples South Region Tournament January 20. We had 21 couples brave the cold temps and high winds bringing to the scales 44 fish weighing 121.96 lbs. Seems like 25 feet was the key depth with spinnerbaits and Carolina rigs catching most of the fish. After lending a hand to another one of our couples with boat trouble, Regie and Sue Judd landed 5 fish weighing 22.73 lbs anchored by the big bass of the tournament at 9.70lbs. Great job!!

I believe Days Inn and Amistad Lake Resort are both booked in March. There is a motorcycle rally in town so you may want to start calling now for reservations.

How about the Sebile baits everyone received. I got a chance to throw the jerkbaits a little on Sunday and they look great in the water. You can Bet I'll one of these tied on. Special thanks Anglers Lodge for hosting registration and also CGS Graphics in Abilene for providing stickers you got in your bags. Hope to see you all next month.
